Grand Prix

The grade 6 students had a great time on their day trip to the Melbourne Grand Prix. Look out for the photo's being uploaded to our Facebook page.

The Grade 6's went to the Grand Prix. We went by train from Benalla train station and the journey took 3 hours to get to Melbourne. Once there, we got the tram to Albert Park and we saw a couple of F1 cars in their practice rounds. After lunch by the lake, we went to the Education Hub and we looked at lots of Virtual Reality Stations. It was great fun! Afterwards we watched Matthew's elder brother Warren perform on his 'Wheel of Steel'. He was awesome. Even though our train was delayed on the way home we still had fun. *Cooper*

On Friday morning, the grade 6 met at Benalla Train Station at 7:30am and we got on the train and went down to Melbourne. We went on the tram to Albert Park Grand Prix. We sat down on the grass and had lunch. There was different types of cars on display to look at. We watched the Formula 1 cars doing their practice race and

they were really fast. There was a driving test simulator to play and it was great fun. After a big day at the Grand Prix we went back to Southern Cross train station. We got dinner at Red Rooster and Hungry Jacks then we got on the train to go back home. We Arrived at Benalla train station at 9:30pm. It was a fantastic day. *By Seb*
