Benalla Historic Cars

Thank you very much to everyone who helped out with our fundraising venture last Friday at the Greta Hall. All your efforts are very much appreciated. There was over 220 people who participated in this event, with a record number

of cars entered of 144. The school is getting lovely reviews coming back from the organisers and the participants in congratulating us on our morning tea.

The money raised from this event will contribute to purchasing a new pie warmer for the children's hot lunches in winter.

We have a number of plates and containers still here so if you are missing something please call in and collect it.

A very special thank you to Elsie Northey for all the time and effort that she put into organising and coordinating this function. We are very lucky to have someone so passionate to take on this role. Well done Elsie.

Thank you
