Dear Parents,
Can you please note the following:

Student of the Week

Our congratulations go to the following students who have recently been awarded a Student of the Week award ...

Georgie – displaying our school value of responsibility

Max H – displaying perseverance

Murphy – great work with division and his writing

Jack – being a valuable class member

Grade 4/5/6

As you would all be aware, Lisa finished up last week and is now on Maternity leave awaiting the arrival of her second child. A position for Term

4 has been advertised and we are now going through the selection process. For the remainder of this term I will be teaching the Grade 4/5/6 class on Monday & Tuesday and Fenella will continue with her normal three days.

Father's Day Breakfast

Thanks to the many dads who came to our father's day breakfast on Monday – whilst it is for you, the kids certainly gain much from having you come along and share in THEIR school.

Ski Camp

HONESTY

RESPONSIBILITY

RESPECT

We had some very excited students arrive back home on Friday night – albeit somewhat tired – after their three days of ski camp. Well done kids on persevering with the challenges that this experience provides – particularly for those who it was their first time skiing or snowboarding.

Special thanks to Sarah Murphy for giving up her time to help out on the camp and also to Kelly for all her efforts.

A green plastic bag with a pair of grey fleecy gloves, olive green and orange socks and a white bath towel was left on the bus. Let me know if this belongs to you.

Parents Association

Please have a look at the attached information regarding the Bunnings stall and the Wedding catering that we have coming up. We still need some items for the Bunnings Stall and also people to help on the day. Please let either myself or Elsie know ASAP if you are able to help. We would like to see ALL parents help out with our fundraising activities as ALL children benefit from the money raised.

Honey for Sale

We have a small number of jars of honey for sale - \$8 per jar – which has kindly been donated to us by the Briggs family. Let me know if you are interested in some.

Learning Expo

Don't forget Wednesday 18 September our students will be showcasing to you all the work they have done this term with our Collaborative Learning Unit on Earn n Learn. The evening will commence with a BBQ dinner (please bring a salad or dessert to share and your own drinks) followed by the students presentations. The evening will commence at 6pm.

Over the term the students have been busy learning the various aspects of operating a business and at our Expo they will have the opportunity to put all their skills into practice. That's where you come in! There will be 8 businesses selling their products on the night so come cashed up! Punnets of seedlings, candles, wind chimes, origami packs and much more. Christmas is just around the corner!

It should be a great night and we're looking forward to seeing you all here.

Spare Clothes

We have done an audit of our spare clothes that we use when a child needs changing. We are short on t-shirts and shorts in sizes 4, 6, 8 & 10. If you have some spare that you are willing to donate they would be much appreciated.

End of Term

A reminder that Friday 20 September sees the end of Term 3 for us. Children will be dismissed at 2:30pm on this day. Term 4 commences Monday, 7 October.

Thank you

Howard Gibson
Principal

Learning Expo BBQ – Wednesday 18 September

Yes, the family will be attending

No. Adults

No. Children

Musica Viva Concert

We went to the Musica Viva Concert at the Whitfield Rec Reserve to see a Quartet perform. They played a clarinet, keyboard, cello, percussion instruments and they had an Opera singer.

We sang some warm ups and Australian songs. We did some actions to Lorikeet and to March of the Fire Ants. We listened to Cicada and Poinciana which we had heard at school.

Lucas, Arabella, Ilka, Matilda, Ethan, Carla and other kids from other schools, got up the front and played some percussion instruments. They taught us to conduct in five beats per bar and we learned about triplets and the Tango.

We thought it was fun and awesome, we enjoyed it. We'd like to see it again!

Foundation – Grade 3

Being up the front

By Carla and Ethan

We both had an amazing time up the front playing an instrument. Ethan played the sticks and Carla played the tambourine stick. We played a part of the song Cicada.

Musica Viva - Cicada

Written by Skelly and Euca

The lady with the cello made a really cool cicada sound, and the lady with the clarinet did too. The clarinet lady made a vibration in the back of the throat that made a vibrating sound. In the music Cicada, the different sounds all blended together for the outcome which was quite interesting.

Musica Viva Concert

By Maisie and Charlie

We went to the Musica Viva concert at Whitfield Rec Reserve. It was great! There were lots of different types of songs that were sung. There was an Opera singer and people playing different instruments such as the piano, flute and cello. They sang in different ways to how people sing on the radio.

Musica Viva Concert thoughts....

Jack – The concert was good because it was a different experience for me. There was an Opera singer and a cello, keyboard and clarinet player. I loved it! Thank you teachers for setting this up.

Matty - The Musica Viva Concert was epic! The Opera singer was so talented and same with the clarinet, cello and keyboard players. They played songs such as Cicada, March of the Fire Ants, Lorikeet and Poinciana. Thank you for setting this up teachers, and thank you to the well behaved students!
